Chiaki? I'm Kozue. I'm gonna put a bandaid on so sit still

Big sister stumbles a lot too so she carries bandaids with her

Should we go search for your mama?

Due to emergency, We will be closed. Our apologies
-Management Office-
Why...
Why are they closed at a time like this...?
Today I thought I didn't have bad luck so I thought it would be fine...

Today...?

I thought we'd have them use the interview but...

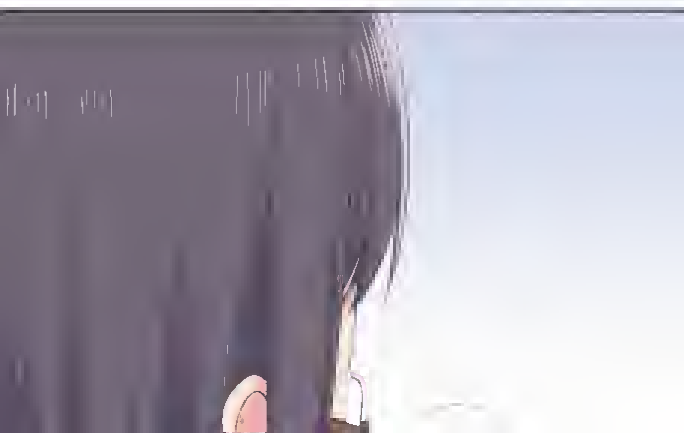
It looks like they're closed right now...

If we wait here and have them use the broadcast
We'll find mama real quick
Really?
Of course!

Big sister too
When she was small she got lost a lot
She got lost a lot and searched for the missing children center
She even walked home alone
Big sister's mama was a little lonely
She taught me a lot

about what to do at this time.
That's why even if I get lost
I could always get back to mama
Don't worry

.....
Yeah!



Ah! Besides that...
Kasugai told me to wait there!

That's right I'll call...!

I don't know his number

What are you doing here?

To be Continued.
